

島の優しさと美しさが、
3つの家族の心を揺らしていく...

The kindness and beauty of the island cradles
the hearts of three families ...

The Story

島の民宿に手違いで宿泊することになった外国人夫婦。横領罪を犯し逃亡中にもかかわらず息子を連れ去るため島に帰ってきた男。妻が浮気相手と共に島から出て行き、残されてしまった義理の父と娘。不器用ながらも愛を求める3組の家族。そのココロは、美しい慶良間諸島の自然と島の人々のチムググル(愛情)によってほぐされ、やがてオドリだしていく。

This is a tale of three families on a remote island. A foreign couple who end up staying at an old inn; a man comes back to the island to abduct his own son despite being a fugitive on the run; and a stepfather and his stepdaughter who have been left behind by the wife who took off with her lover. It is the story of these three families, and their awkward attempts at seeking love. Those hearts are softened by the beauty of the nature and compassion of the people of Kerama Islands and soon starting to dance.
